ASSIGNMENT

WHEREAS, we, Rolf Hesbøl, a citizen of Norway, residing at 4 Sagostigen, Nyköping, Sweden S-611 and J. Bradley Mason, a citizen of the United States, whose post office address is 221 Doulton Way, Columbia, South Carolina 29212, hereinafter referred to collectively as Assignors, have made an invention for which we have made application for Letters Patent of the United States entitled "METHOD AND APPARATUS FOR THE VOLUME REDUCTION AND PROCESSING OF NUCLEAR WASTE"; and

WHEREAS, Studsvik, Inc., a corporation organized and existing under the laws of the State of Delaware and having an office for the transaction of business at 132 Harbison Boulevard, Suite 302B, Columbia, South Carolina, 29212, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title and interest in and to said invention and any improvements thereon, and in and to said application for Letters Patent therefor, and any Letters Patent which may be obtained thereof;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, said Assignors have sold, assigned, transferred and conveyed, and do hereby sell, assign, transfer and convey to said Assignee, its successors and assigns, the entire right, title and interest in and to said invention for which we have made application for Letters Patent of the United States entitled "METHOD AND APPARATUS FOR THE VOLUME REDUCTION AND PROCESSING OF NUCLEAR WASTE," having serial number 08/680,380, and any and all improvements thereon, and in and to said application and any divisions, renewals, continuations or continuations-in-part thereof, and in and to any Letters Patent of the United States which may be issued on any of said applications, and any reissues and extensions thereof, and in and to any and all applications for Letters Patent filed in foreign countries for said invention or improvements including all priority rights, and any and all Letters Patent which may be granted in foreign countries therefor, and all extensions, renewals and reissues thereof, and in and to all income, royalties, damages and payments now or hereafter due or payable with respect to any Letters Patent which may be granted, and in and to all causes of action (either in law or in equity), and the right to sue, counterclaim, and recover for past, present and future infringement of the rights assigned or to be assigned under this Assignment, TO HAVE AND TO HOLD THE SAME for the sole use and benefit of said Assignee, its successors and assigns, and to the full end of the term or terms for which any and all said Letters Patent may be granted,

AND said Assignors hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States to said Assignee, as the assignee of the entire right, title and interest in and to the same;

AND said Assignors, for the considerations aforesaid, do hereby covenant and agree to and with said Assignee, its successors and assigns, that Assignors have the full power to make this assignment, and that the rights assigned are not encumbered by any grant, license or right heretofore given, and that Assignors, their executors or administrators, shall and will do all lawful acts and things and make, execute and deliver without further compensation, any and all other instruments in writing, further applications, papers, affidavits, power of attorney, assignments, and other documents which, in the opinion of counsel for said Assignee, its successors and assigns, may in any country be required or necessary more effectively to secure to and vest in said Assignee, its successors and assigns the entire right, title and interest in and to said invention and improvements, applications, Letters Patent, rights, titles, benefits, privileges, and advantages hereby sold, assigned, transferred and conveyed, and that Assignors will sign any applications for reissue which may be desired by the owner of the patent or patents which may be issued for said invention or improvements.

IN WITNESS WHEREOF, said Assignors have hereunto set their hands and seal on the date below written.
