

ASSIGNMENT

WHEREAS, I/we, the undersigned, Hunter Beckman
own rights to the invention filed contemporaneously and entitled
"Method Of Manufacture For Flexible Hose".

WHEREAS, Durodyne, Inc. (hereinafter "Company" or
"Assignee"), an Arizona Corporation, having a principal place of
business at P.O. Box 11740 Mission Station, Tucson, Arizona
85734-1740, is desirous of acquiring certain rights thereunder;

NOW, THEREFORE, for one dollar and other good and valuable
considerations, the receipt of all of which is hereby
acknowledged, the undersigned:

Hereby sell, assign, and transfer unto said Company the
entire right, title and interest in and throughout the United
States of America (including its possessions and dependencies),
and all countries foreign thereto, in and to said invention, said
application and any and all patents (including reissues and
extensions thereof), of any country, which have been or may be
granted on said invention or any part thereof, or on said
application or any divisional, substitute, continuation-in-whole
or in-part, renewal, reissue or other patent application based
thereon, or based upon said invention, together with the right in
said Company to apply for any such patent in its own name in all
countries of the world where such is permissible by law, and the
right to claim the benefit of the priority right provided by the
International Convention of 1883, as amended to date, and any
other such priority right; TO BE HELD AND ENJOYED by said
Company, its successors and assigns, to the full ends of the
respective terms for which said patents or any of them have been
or may be granted as fully and entirely as the same would have
been held and enjoyed by the undersigned had no sale and
assignment of said interest been made;

Authorize and request the Commissioner of Patents of the
United States of America to issue any and all United States
Patents which may be granted upon said United States Applications
or any of them, or upon said invention or any part thereof, to
said Company;

Agree, for the undersigned and for the heirs and legal
representatives of the undersigned, to execute without further
consideration any further lawful documents and any further
assurances, and any divisional, continuation-in-whole or in-part,
substitute, renewal, reissue, or other applications for patents
of any country that might be deemed necessary by said assignee
fully to secure to said assignee its interest as aforesaid in and

to said invention or any part thereof, and in and to said several patents or any of them;

Covenant, for the undersigned and for the legal representatives of the undersigned, and agree with said Company its successors and assigns, that no right of license to make, use or sell said invention has been or will be granted by the undersigned to anyone.

IN WITNESS WHEREOF, I have unto set my hand and seal on the date indicated by my signature.
