 is desirous of obtaining the entire right, title and interest in, to and under the said
 invention and the said application;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and
 other good and valuable consideration, the receipt of which is hereby acknowledged, the said
 SIGNOR, has sold, assigned, transferred and set over, and by these presents does hereby
 sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal
 representatives and assigns, the entire right, title and interest in, to and under the said
 invention, and the said United States application and all divisions, renewals and
 continuations thereof, and all Patents of the United States which may be granted thereon and
 all reissues and extensions thereof; and all applications for industrial property protection,
 including, without limitation, all applications for patents, utility models, and designs
 which may hereafter be filed for said invention in any country or countries foreign to the
 United States, together with the right to file such applications and the right to claim for
 the same the priority rights derived from said United States application under the Patent
 Laws of the United States, the International Convention for the Protection of Industrial
 Property, or any other international agreement or the domestic laws of the country in which
 any such application is filed, as may be applicable; and all forms of industrial property
 protection, including, without limitation, patents, utility models, inventor's certificates
 and designs which may be granted for said invention in any country or countries foreign to
 the United States and all extensions, renewals and reissues thereof;

ASSIGNOR authorizes and requests the Commissioner of Patents and Trademarks of the United
 States, and any Official of any country or countries foreign to the United States, whose duty
 it is to issue patents or other evidence or forms of industrial protection on applications
 as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives
 and assigns, in accordance with the terms of this instrument.

AND ASSIGNOR covenants and agrees that he has full right to convey the entire interest
 herein assigned, and has not executed, and will not execute, any agreement in conflict
 herewith.

AND ASSIGNOR further covenants and agrees that he will communicate to the said ASSIGNEE,
 its successors, legal representatives and assigns, any facts known respecting said invention,
 and testify in any legal proceeding, sign all lawful papers, execute all divisional,
 continuing, reissue and foreign applications, make all rightful oaths, and generally do
 everything possible to aid the said ASSIGNEE, its successors, legal representatives and
 assigns, to obtain and enforce proper protection for said invention in all countries.
