ASSIGNMENT

WHEREAS, we, Nabil L. Mina and Richard Castillo, residing at 765 Longford Drive, Roselle, Illinois 60172 and 2843 South Kolin, Chicago, Illinois 60623, respectively, have made an invention in a BREATHER ASSEMBLY FOR ELECTRICAL ENCLOSURES described in a patent application executed by us on the date set after our signatures hereto; and

WHEREAS, EGS Electrical Group LLC, a Delaware corporation and having its principal place of business at 7770 North Frontage Road, Skokie, Illinois 60077-2690, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefor in the United States and in any and all foreign countries.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, we do hereby sell, assign, and transfer unto said EGS Electrical Group LLC its successors and assigns, the entire right, title and interest in and to said invention or inventions, as described in the aforesaid application, in any form or embodiment thereof, and in and to the aforesaid application; and in and to any applications filed in any foreign country based thereon, including the right to file said foreign applications and to claim priority under the provisions of the International Convention; also any improvements on said invention or inventions now or hereafter made by us during the period of our employment; also the entire right, title and interest in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said invention, inventions, or improvements and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention, inventions, or improvements in this or any foreign country, and we hereby authorize and request the issuing authority to issue any and all patents on said application or applications to said EGS Electrical Group LLC, as assignee of the entire interest.

We do hereby agree for ourselves and for our heirs, executors, and administrators to execute any lawful document and to testify as to any material fact or thing which EGS Electrical Group LLC, its successors and assigns, may deem necessary in order to secure unto itself, its successors and assigns the full right, title and interest in and to the full enjoyment of said invention or any part thereof and the said Letters Patent or any of them, the same to be done without any further consideration.
