ASSIGNMENT
(Joint)

WHEREAS, new and useful improvements and inventions have been made by the undersigned in

CONDUCTIVE POLYMER MATERIALS FOR HIGH VOLTAGE PTC DEVICES

and are the subject of a patent application filed in the United States Patent and Trademark Office on November 16, 1998, as Serial No. 09/193,471, and executed by the undersigned on the dates indicated below in the appropriate spaces to the right of the signatures of the undersigned, which application is further identified as Jones, Day, Reavis & Pogue Docket No. 097655026152.

This application is a continuation-in-part of U.S. Patent Application, Serial No. 08/729,822, filed October 8, 1996, which issued as U.S. Patent 5,837,164 on November 17, 1998, and U.S. Patent Application, Serial No. 09/046,853, filed March 24, 1998, which is a continuation-in-part of Serial No. 08/729,822.

WHEREAS, **THERM-O-DISC, INCORPORATED**, a corporation of the State of Ohio, having a place of business at 1320 South Main Street, Mansfield, Ohio 44907-0538, hereinafter referred to as "assignee", is desirous of acquiring all right, title, and interest throughout the world in, to, and under said improvements and inventions and patent rights therefor.

NOW, THEREFORE, be it known that, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, all right, title, and interest, in the United States and throughout the world, in, to and under said improvements and inventions and all patents, patent applications, patent rights, and inventor's certificates thereof, therefor, and therein, including without limitation said application for patent in the United States, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all right to sue for past infringement thereunder, all patents which may be granted for said improvements and inventions by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefor, have been and are hereby sold, assigned, transferred, and delivered unto assignee, its successors and assigns; and it is covenanted and agreed by the undersigned, and for executors, administrators, and legal representatives of the undersigned, that at assignee's request any and all applications, affidavits, assignments, and other instruments will be made, executed, and delivered as may be necessary, or desirable to secure for or vest in assignee, its successors or assigns, any improvement, inventions, right, title, interest, application, patent, patent right or other right or property covered by this assignment, and the United States Commissioner of Patents and Trademarks is hereby requested and authorized to issue any and all United States patents granted on any of said applications to assignee as owner of the entire right, title, and interest in, to, and under the same, and appropriately empowered officials of foreign countries are hereby authorized to issue any letters patent granted on any of said applications to assignee as owner of the entire right, title, and interest in, to, and under the same.

I hereby certify that this correspondence
