ASSIGNMENT

WHEREAS, the undersigned, Ronald F. Flicker, Jr. of 4521 Pasadena Avenue, Long Beach, California 90807, has invented a new and useful AUTOMATED VEHICLE PREVENTATIVE MAINTENANCE SYSTEM, for which application papers for United States Letter Patent have been executed by him this day; and

WHEREAS, the undersigned verily believes himself to be the original, first and sole inventor of the invention set forth in this application for Letters Patent; and

WHEREAS, the undersigned represents and warrants that he is the sole owner of the entire right, title, and interest in and to said invention and all Letters Patent granted therefor, and that the same is free and clear of all encumbrances; and

WHEREAS, Challenger Enterprises, LLC, a Limited Liability Corporation of the State of California, having an address of 4147 E. Townsend Avenue, Orange, California 92867, is desirous of acquiring the entire right, title and interest in and to said invention and all Letters Patent granted therefor in the United States and throughout the world;

Now therefore, in consideration of \$10.00 and other valuable consideration paid to the undersigned, receipt whereof is hereby acknowledged, the undersigned does hereby sell, assign, transfer and set over to the said Challenger Enterprises, LLC, the entire right, title, and interest in and to said invention and all improvements therein and all Letters Patent which may be granted therefore in the United States and throughout the world,

including the right to file foreign applications under the provisions of the International Convention directly in the name of the Assignee.

The undersigned hereby agrees that upon request and without further compensation, but at no expense to the undersigned, he will do all lawful acts, including the execution of papers and the giving of testimony that may be necessary or desirable for obtaining, sustaining, reissuing and renewing United States Letters Patent and foreign Letters Patent for said invention and all improvements therein, and for perfecting and maintaining the title in his successor to said invention and particularly in cases of interference and litigation.

The undersigned hereby authorizes and requests the Commissioner of Patents in the United States and all foreign countries to issue all Letters Patent based on said above mentioned patent application and all divisions, continuations, continuation-in-part and renewals thereof to the said Challenger Enterprises, LLC, its successors and assigns.

IN TESTIMONY WHEREOF, the undersigned has executed this instrument at Long Beach, California, this 1 day of DECEMBER, 1998.

Ronald F. Flicker, Jr.
