ASSIGNMENT

Virtual Lanes

WHEREAS, WE, the following named individuals (hereinafter (“INVENTORS”)):

Samuel C. Unsicker, 2416 S. 5th Avenue North, Riverdale, Illinois 60546; and
Jamie D. MacBain, 5933 N. Navarre, Chicago, Illinois 60631

are employees of Breslow, Morrison, Terzian & Associates (hereinafter (“BMT”)) and have invented or contributed to a game and/or game design known as “VIRTUAL LANES” for which a design patent application entitled “VIRTUAL LANES HAND HELD ELECTRONIC GAME” was filed on 31 August 1998 in the People’s Republic of China, with the serial number 98/304427.9; and

WHEREAS, BMT a corporation duly organized under the laws of the State of Illinois, United States of America and having a place of business at 750 North Orleans Street, Chicago, 60610 is desirous of acquiring all rights from said inventors for said game and design including the entire right, title and interest in and to the aforesaid application, invention, concept, trade secret, or idea whether or not patentable, all copyrights, trademarks, and in and to any patent, patent application, inventor’s certificate, or any continuation, divisional, or continuation-in-part application based thereon, that may be granted in the People’s Republic of China or in any country foreign thereto;

WHEREAS, RADICA CHINA LIMITED, a British Virgin Islands company having its registered office at Omar Hodge Building, Wickhams Cay 1, Road Town, Tortola, BVI (hereinafter “RADICA”); is desirous of acquiring from BMT a document confirming the assignment of all right, title, and interest in any and all rights for said game and game design that are or may be owned by BMT pursuant to an agreement between BMT and RADICA dated 26 February 1998;

NOW THEREFORE, for good and valuable consideration, INVENTORS do sell, assign, and transfer unto BMT, its successors, legal representatives and assigns, all rights (if any) from said inventors for said game and design including the entire right, title and interest in and to the aforesaid application, invention, concept, or idea, all copyrights, and in and to any patent, patent application, inventor’s certificate, or any continuation, divisional, or continuation-in-part application based thereon, that may be granted in the People’s Republic of China or in any country foreign thereto;

FURTHER, for good and valuable consideration as embodied in and consistent with an agreement effective 26 February 1998, BMT by these presents do sell, assign, and transfer without reservation unto RADICA, its successors, legal representatives and assigns, all rights from said inventors for said game and design including the entire right, title and interest in and to the aforesaid application, invention, concept, or idea; all copyrights associated with any expression thereof; all trademark registrations, applications, or registrations with its associated goodwill for any product embodying the invention; and in and to any patent, patent application, inventor’s certificate, or any continuation, divisional, or continuation-in-part application based thereon, that may be granted in the People’s Republic of China or in any country foreign thereto, and the right to sue for and collect damages for any past infringement of any patent or inventor’s certificate, trademark, or copyright;

INVENTORS and BMT DO HEREBY authorize and request the Commissioner of Patents and Trademarks or any other proper officer or agency of any country to issue any and all patents, copyrights, and trademark registrations to RADICA;

INVENTORS and BMT HEREBY warrant and covenant that each has the full right to convey the interests herein assigned and that none has executed and will not execute any instrument or assignment in conflict herewith; and

**PATENT
REEL: 9669 FRAME: 0717**

INVENTORS and BMT HEREBY agree to communicate to RADICA or its representatives any known facts relating to the rights assigned herein, to execute all divisional, continuation, continuation in part, reissue and foreign applications, sign all lawful documents and make all rightful oaths relating to said invention, and to testify in any judicial or administrative proceeding and generally do everything possible to aid the said assignee to obtain and enforce said rights in the People's Republic of China or any country foreign thereto, when requested so to do by RADICA.

IN WITNESS WHEREOF, we have hereunto set our hand and seal.
