ASSIGNMENT OF APPLICATION

Attorney Ref. No

Whereas, We, James Allen McEwen of Richmond B.C. Canada, Alexei John Marko of Vancouver, B.C. Canada, and Michael Jameson of North Vancouver, B.C. Canada, hereafter referred to as Assignors, have invented certain new and useful improvements entitled:

Apparatus and Method for Relating Pain and Activity of a Patient

for which an application for a United States Patent was filed on 12/22/98 and has been assigned Application Number 09/_____. We hereby authorize and request Patrick W. Hughey, attorney for the below identified Assignee, to insert in this paragraph the application number and filing date of this application when that information becomes known.

Whereas, Delfi Medical Innovations Inc., a British Columbia Corporation, herein referred to as "Assignee" and whose post office address is #544-2660 Oak St., Vancouver, B.C. CANADA desires to acquire the entire right, title and interest in the same;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, Assignors, hereby sell, assign and transfer to the Assignee, the full and exclusive right, title and interest in and to said invention, patent application, and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute related US patent application(s), international applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Assignee for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent(s) may be granted in this or any foreign country, as fully and entirely as the same would have been held by Assignors had this assignment and sale not been made, and covenant that We have full right so to do, and agree that we will communicate to Assignee, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Assignee, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.
