WHEREAS, BRITE-LINE TECHNOLOGIES, INC., a Massachusetts corporation, having its principal place of business at 104 Revere Street, Canton, Massachusetts 02021 (hereinafter Assignee) has acquired all right, title and interest in and to the United States and foreign patents and patent applications identified in Schedule A hereto and in and to the inventions disclosed therein from Charles Wyckoff, now deceased (hereinafter Assignor);

WHEREAS, the Assignee desires to confirm the assignment of the United States and foreign patents and patent applications identified in Schedule A, and in and to the inventions disclosed therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby confirm the assignment and assign to Assignee, its successors and assigns, all right, title and interest throughout the United States, its territories and all foreign countries; in and to the United States and foreign patents and patent applications identified in Schedule A hereto and in and to the inventions disclosed therein, including the right to claim priority thereto under the International Convention; and in and to such patents as may issue on such applications, and all divisions, reissues, continuations, certificates of reexamination and extensions thereof; together with all rights of action and recovery for past infringement thereof; for the full term or terms for which any and all such patents may be granted; as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.

And, Assignor hereby agrees to execute any further assignment documents as may be necessary to further effect the assignment or recordation of the assignment hereof.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be
executed this 12th day of December, 1998.
