# ASSIGNMENT

Attorney's Docket: 1304.050 USU

As a named inventor of the inventions and/or discoveries set forth in an application for Letters Patent of the United States of America entitled:

PROCESS FOR CARRYING OUT A CONTACT-FREE REMOTE INTERROGATION

executed on: December 1 and 2, 1998

I desire to assign to: Baumer Ident AG

a Swiss Corporation

whose corporate offices are at Gewerbepark  
5506 Mägenwil  
Switzerland

and which, together with its successors and assigns is hereinafter called "Assignee", is desirous of acquiring the title, rights, benefits and privileges hereinafter recited, and of confirming the same or any part thereof heretofore acquired by Assignee. Now, therefore, for valuable consideration furnished by Assignee to me, receipt and sufficiency of which I hereby acknowledge, I hereby, without reservation:

1. Assign and convey to and confirm in Assignee the entire right, title and interest in and to said inventions and discoveries, said application for Letters Patent of the United States of America, including all divisional, renewal, substitute and continuation applications based in whole or in part upon said inventions or discoveries or upon said applications, and any and all Letters Patent and reissues and extensions of Letters Patent granted in the United States of America for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said Letters Patent;
2. Authorize Assignee to file patent applications in the United States of America on any or all of said inventions and discoveries in my name or in the name of Assignee or otherwise as Assignee may deem advisable;
3. Authorize and request the Commissioner of Patents of the United States of America to issue or transfer all said Letters Patent to Assignee, as Assignee of the entire right, title and interest therein or otherwise as Assignee may direct;
4. Warrant that I have not knowingly conveyed to others any right in said inventions, discoveries, applications or patent or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries, and that I have good right to assign the same to Assignee without encumbrance;
5. Bind my heirs and legal representatives, as well as myself, to do, upon Assignee's request and at its expense, but without additional consideration to me or them, all acts reasonable serving to assure that the said inventions and discoveries, the said patent applications and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by me or my heirs or representatives if this Assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to me relating to said inventions and discoveries or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples and other physical exhibits in my control or in the control of my heirs or legal representatives and which may be useful for establishing the facts of my conceptions, disclosures and reduction to practice of said inventions and discoveries.
6. To the best of my knowledge and belief, the information contained herein is true and correct.

The effective date of this instrument is the 2nd day of December, 1998.

In testimony of which I have affixed my signature below.
