ASSIGNMENT

We, Yvette J. Neumann, of Bothell, King County, Washington, and William C. Quan of Newcastle, King County, Washington, have invented new and useful improvements entitled "AIRLINE PASSENGER PRIVACY AND SUPPORT APPARATUS," described and claimed in the specification forming part of our application for letters patent of the United States of America, which is executed with this Assignment to The Boeing Company, a corporation of the State of Delaware, having its principal place of business at Seattle, King County, Washington.

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is acknowledged, we sell, assign, and transfer to The Boeing Company our full and exclusive right, title, and interest in and to the invention for the United States of America and all foreign countries, including the right to apply for patents, or inventor's certificates in the name of The Boeing Company in foreign countries, and in and to the application for letters patent of the United States of America. The Boeing Company shall hold the invention as the assignee for the use and benefit of itself and of its successors and assigns as fully and entirely as we would have held and enjoyed the invention had this assignment and sale not been made.
