ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned,

Stephen Phillip Kinniard, residing at 6 Coral Place, Eaton, W.A. 6232, Australia, ("Assignor")

Hereby sell, assign and transfer to:

Millennium Inorganic Chemicals Ltd., a corporation of The Commonwealth of Australia having a place of business at Australind Works, Old Coast Road, Australind W.A. 6230, Australia, ("Assignee")

its successors, assigns and legal representatives, the entire right, title and interest that I may have or hold in trust for Assignee, for all countries, in and to any and all inventions which are disclosed and claimed, and any and all inventions which are disclosed but not claimed, in the application for United States Patent which has been executed by the undersigned Assignor on October 1, 1997 and is entitled:

**"Production of Free Flowing Spheres
Using Partially Neutralized Fatty Acid"**

and filed on October 8, 1997 and assigned U.S. Application Serial No. 08/946765 and in and to said application and all divisional, continuation, continuation-in-part, continuing, substitute, renewal,

reissue and all other applications for United States Letters Patent and all applications for Commonwealth of Australia Letters Patent and foreign Letters patent or other related property rights in any and all foreign countries which have been or shall be filed on any of said inventions disclosed in said application; and in and to all original and reissued patents or related documents which have been or shall be issued on said inventions;

Authorize and request the Commissioner of Patents and Trademarks of the United States to issue to said Assignee, the corporation above named, its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent on said inventions or any of them disclosed in said application;

Agree that said Assignee may apply for and receive Commonwealth of Australia and foreign Letters Patent rights or rights of any other kind for said inventions, or any of them; and may claim, in applications for said Commonwealth of Australia and foreign Letters Patent or other rights, the priority of the aforesaid United States patent application under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention or under any

other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned Assignor or the executors or administrators of the undersigned Assignor will, for the United States, Australia and all foreign countries execute all original, divisional, continuation, continuation-in-part, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successor, assigns and representatives, all facts known and documents available to the undersigned Assignor relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related rights and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that said inventions were conceived, developed and

reduced to practice as part of my duties while an employee of Assignee and Assignee is entitled to this Assignment by virtue of its employment of me, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned Assignor.

In light of the consideration provided, the receipt of which having been acknowledged by Assignor herein, Assignee agrees to and accepts the assignment hereunder.

The parties hereby agree that this Assignment shall not be effective or enforceable against either party until executed by both

parties, the Assignor and Assignee, and that this Assignment shall remain unenforceable until the latter of the signature dates shown below.
