

ASSIGNMENT OF CONTINUATION APPLICATION

WHEREAS, I, Philip L. Plasko, of 11568 East Bronco Trail, Scottsdale, Arizona 85255, have invented certain new and useful improvements in a METHOD AND APPARATUS FOR SPLATTERING MASSES for which a continuation application has been made on August 26, 1998 under Serial Number 09/140,714 claiming priority of United States Patent 5,842,642, issued December 1, 1998 on application serial number 08/667,755, filed June 21, 1996, and

WHEREAS, Wagner Spray Tech Corporation, a corporation organized and existing under the laws of the state of Minnesota, and having its principal offices at 1770 Fernbrook Lane, Minneapolis, Minnesota 55447, is desirous of acquiring the entire right, title and interest in and to said invention, said continuation application and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration to me in hand paid by said Wagner Spray Tech Corporation, the receipt and sufficiency of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto said Wagner Spray Tech Corporation, its successors and assigns, the entire right, title and interest in and to said invention, said continuation application and the Letters Patent, both foreign and domestic, that may or shall issue, including all rights under the International Convention, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned assignee in accordance herewith.

I Further Authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name, if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon Said Consideration, I do hereby covenant and agree with said assignee, its successors and assigns, that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I or my executors or administrators will, at any time upon request, without further or additional consideration, but at the expense of said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect said assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights, occurring as a result of

such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In Witness Whereof, I have hereunto set my hand on this 26 day of DECEMBER, 1998.
