as fully set forth and described in our application for United States Letters Patent executed on the 23rd day of December, 1998; and on the 23rd day of December, 1998, respectively; and being the owners of all right, title and interest in and to said application and invention, warranting that we have not granted or agreed to grant to others any assignments, licenses, mortgages, or other rights or encumbrances regarding said application and invention, and believing that we have full right to convey the entire interest, both legal and equitable herein assigned, do hereby sell, assign, transfer and set over unto

SENSORMATIC ELECTRONICS CORPORATION, a corporation organized and existing under and by the virtue of the laws of the State of Delaware, and having an office and place of business at 951 Yamato Road, Boca Raton, Florida 33431-0700, as the Assignee and to its successors, assigns and nominees, the entire right, title and interest in and to said application and invention together with any and all other applications and patents either United States or foreign upon the same invention which we may now or hereafter have, and all divisions, reissues, continuations, continuations-in-part, substitutions and extensions thereof and all rights to obtain patents thereon, together with the right to apply for letters patent in foreign countries with full benefit of such priorities as may now or hereafter be granted to us by law or by treaty, including any international convention.

And we hereby covenant and agree that we will communicate to said Assignee,

SENSORMATIC ELECTRONICS CORPORATION, its successors,

assignees and nominees, all facts known to us respecting said invention and will, upon their request at any time, but without expense to us, sign all lawful papers, execute all original, divisional, substitute, continuing and reissue applications and assignments, make all rightful oaths, testify as to facts relating to said invention in any legal proceedings, and generally do everything reasonable and proper to aid said Assignee,

SENSORMATIC ELECTRONICS CORPORATION, its successors,

assigns, and nominees, to receive proper protection for said invention in all countries.

IN WITNESS WHEREOF, we have hereunto set our hands and affixed our seals on the date indicated hereinafter,
