

# ASSIGNMENT

**THIS ASSIGNMENT**, made this \_\_\_ day of December, 1998 by Hal P. Halling, residing at 60 Green Lane, Durham, Connecticut 06422-1903 and Paul L. Porter, residing at 19315 N. Northlane, Colbert, Washington 99005, (hereinafter referred to as Assignors);

**WHEREAS**, the said Assignors have invented certain new and useful improvements in "RESILIENT SEALING RING", for which an application for a United States Patent was executed on even date herewith;

**WHEREAS**, JETSEAL, INC., having its principal place of business at P.O. Box 28043, Spokane, Washington 99228-8043, (hereinafter referred to as the Assignee) is desirous of acquiring the entire right, title and interest in and to said invention and said application for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or Foreign, to be obtained therefor and thereon;

**NOW, THEREFORE**, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, the said Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to any and all direct or indirect divisions, continuations, and continuations-in-part of said applications, and any and all Letters Patent or Patents of the United States of

America and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations, and extensions of said Letters Patents, and all rights under the International Convention for the Protection of Industrial Property, including all rights of action and damages for present and past infringement relating thereto, the same to be held and enjoyed by said Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patents may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by the Assignors had this sale and assignment not been made.

**AND** for the same consideration, the said Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to said Assignee, the said Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and the applications for Letters Patents above-mentioned, and that the same are unencumbered and that the said Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

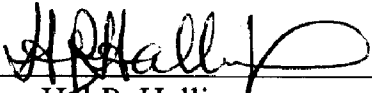

**AND** for the same consideration, the said Assignors hereby covenant and agree to and with said Assignee, its successors, legal representatives and assigns, that the said Assignors will, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be

done for the procurement, maintenance, enforcement and defense of any Letters Patents and applications for Letters Patents for said invention, without charge to said Assignee, its successors, legal representatives and assigns, whenever counsel of the said Assignee, or the counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with any Letters Patents or application for Letters Patent for said invention in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part, to be obtained thereon, is lawful and desirable.

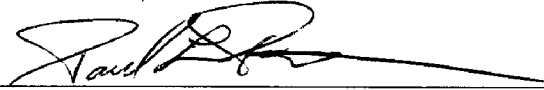

AND said Assignors hereby request the Commissioner of Patents and Trademark to issue said Letters Patents of the United States to said Assignee, as the Assignee of said invention and the Letters Patents to be issued thereon for the sole use and benefit of said Assignee, its successor, legal representatives and assigns.

AND the said Assignors acknowledge an obligation of assignment of this invention to said Assignee.
