- WORLDWIDE PATENT ASSIGNMENT -

WHEREAS, Larry Berges, having a residence address of 221 Wilree Drive, New Iberia, LA 70560, (hereinafter referred to as the "Inventor") has invented certain improvements in a "Modular Seismic Cable Handling System with Knockdown Container" (hereinafter termed the "Invention") for which there has been made application with the U.S. Patent Office, said application having a filing date of 04/28/97 and an assigned serial number of 08/848,588; and

WHEREAS Regional Fabricators, Inc., A Louisiana Corporation (hereinafter termed Regional Fab) having a principle place of business at Diver Drive, Port of Iberia, New Iberia, Louisiana is desirous of acquiring the entire right, title and interest in and to said Invention, and in and to any Letters Patent that maybe granted therefor in the United States and its territories, and in any and all foreign countries on said Invention, along with any continuations, divisions, extensions, or reissues, including all patents domestic and foreign;

NOW, THEREFORE, in consideration of the sum of ONE HUNDRED DOLLARS (\$100.00) to the Inventor, in hand paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Inventor has sold, assigned, and transferred, and by these presents does sell, assign and transfer unto said Regional Fab, the full and exclusive right to the said Invention in the United States and its territorial possessions and in all foreign countries, including all rights under International Convention, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, reissues, renewals, continuations, continuations-in-part, substitutions and extensions thereof. Further, the Inventor hereby authorizes and requests the Patent Officials in the United States and all foreign countries to issue any and all of said Letters Patent when granted to said Regional Fab, as the assignee of my entire right, title and interest in and to the same, for the sole use and enjoyment of said Regional Fab, its successors and assigns.

Further, the Inventor will communicate to said Regional Fab and its representative(s) any facts known to me respecting said Invention, and testify in any legal proceedings, sign all lawful papers, execute all divisions, reissues, renewals, continuations, continuations-in-part, substitutions, and extensions thereof.
