SOLE ASSIGNMENT

For good and valuable consideration received, I, Ernest Balestracci residing at 8 South McKinley Avenue, Iselin, NJ 08850, have sold, assigned and transferred and by these presents do hereby sell, assign and transfer to Bracco Research USA., a Corporation of the State of Delaware, having a place of business at 305 College Road East, Princeton, NJ 08540, and to its successors, assigns and legal representatives the entire right, title and interest in the United States and its territorial possessions and in any and all foreign countries in and to all of my inventions and any and all improvements thereof disclosed in an application for United States Design Patent entitled **FINGER GRIP COLLAR FOR A SYRINGE OR CARTRIDGE BARREL** which

is being executed on even date herewith.

was filed on

and the entire right, title and interest in and to said United States Letters patent application and any divisions, continuations and continuations-in-part of said application and any patent applications claiming subject matter common thereto or corresponding thereto filed in the United States and/or foreign countries including all rights to claim priority and in and to any and all Letters Patent which may be granted and said applications in the United States and its territorial possessions and in any and all foreign countries and in and to any and all reissues, re-examinations and extensions of such Letters Patent.

I hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment,

and I authorize and request the Patent Office Officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Bracco Research USA as the assignee of my entire right, title and interest in and to the same, for the sole use and behalf of said Bracco Research USA, its successors and assigns.

FURTHER, I agree that I will communicate to said Bracco Research USA, or its representatives, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all patent applications with respect thereto, including divisional, continuation, substitution, renewal and reissue applications, execute all assignment papers to cause any and all of said Letters Patent to be issued to said Bracco Research USA, make all rightful oaths and generally do everything possible to aid said Bracco Research USA, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign countries.
