ASSIGNMENT

WHEREAS I, Miles R. Palmer, residing at 11115 Loran Road, Great Falls, Virginia 22066, respectively, is the inventor of certain inventions or improvements for which we have made application for Letters of Patent of the United States, identified as Docket No. 0479.77975, entitled **Vehicle Refueling System**; and

WHEREAS, **Science Applications International Corporation** of 10260 Campus Point Drive, San Diego, CA 92121, a corporation of the state of DELAWARE, is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements and in and to the said application, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries;

NOW, THEREFORE, for good and valuable consideration, I, have assigned, and do hereby assign, to Science Applications International Corporation, its successors, assigns and legal representatives ("Nominees") the entire right, title and interest in and to said inventions or improvements throughout the world and to said application and any and all Letters Patent, petty patents and utility model patents which may be granted therefor, and all continuations, divisions, reissues, extensions and renewals thereof ("Letters Patent");

And I covenant that I have full right to convey the entire interest herein assigned, and that I have not executed and will not executed any agreement or do anything in conflict herewith;

And I further covenant and agree that I will without undue delay execute all such papers as may be necessary to perfect the title to said inventions or improvements, application and Letters Patent in Science Applications International Corporation, or its Nominees, and I agree to communicate to said Science Applications International Corporation, or its Nominees all known

facts respecting said inventions or improvements, application and Letters Patent, to testify in any legal proceedings, to sign all lawful papers, and generally to do all things necessary to aid Science Applications International Corporation or its Nominees to obtain and enforce for their own benefit patent protection for said inventions or improvements in any and all countries, all at the expense, however, of Science Applications International Corporation, or its Nominees;

And I authorize Science Applications International Corporation or its Nominees to file in our name or their own, an appropriate, application for Letters Patent in all countries of the world, and I authorize and request the Commissioner of Patents and Trademarks of the United States, and any proper official of any country, to issue to said Science Applications International Corporation, or its Nominees any and all Letters Patent for said invention or improvements, for their sole use, to the full end of the term for which such Letters Patent may be granted.

And I further grant our attorneys, at the firm of BANNER & WITCOFF, of Washington, D.C., the power to insert on this assignment document here in parenthesis, (Application No: _____, filed on the ____ day of _____, 19__), the filing date, application number and such other identification as may be necessary and desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

IN WITNESS WHEREOF I have hereunto set my hand and seal this 13th day of

January, 1999.
