In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I
the undersigned, HÅKAN JAKOBSSON

hereby sell, assign, and transfer to Oracle Corporation
a corporation of Delaware, having a principal place of business at 500 Oracle Parkway
Redwood Shores, California 94065, ("Assignee"),
and its successors, assigns, and legal representatives the entire right, title, and interest for the United States and all
foreign countries, in and to any and all improvements that are disclosed in the application for the United States
patent that

X will be filed concurrently with this assignment, or

was filed on _____, and assigned
Serial Number _____

and is entitled "INITIAL ORDERING OF TABLES FOR DATABASE QUERIES"

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other patent
applications that have been or shall be filed in the United States and all foreign countries on any of said
improvements; and in and to all original and reissued patents that have been or shall be issued in the United States
and all foreign countries on said improvements; and in and to all rights of priority resulting from the filing of said
United States application.

agree that said Assignee may apply for and receive a patent or patents for said improvements in its own
name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns,
and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will
execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said
improvements; execute all assignments and powers of attorney; communicate to said Assignee, its successors,
assigns and representatives all facts known to the undersigned relating to said improvements and the history
thereof; and generally assist said Assignee, its successors, assigns or representatives in securing and maintaining
proper patent protection for said improvements and for vesting title to said improvements, and all applications for
patents and all patents on said improvements, in said Assignee, its successors, assigns, and legal representatives;
and

covenant with said Assignee, its successors, assigns, and legal representatives that no assignment, grant,
mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by
the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
