Docket No. : 10073-1
Serial No. : 09/159,913
Filed : September 24, 1998

ASSIGNMENT:

I/We, the undersigned person(s) whose name(s), nationality(ies) and address(es) are set out below by my/our respective names and signature(s) have made an invention INTEGRATED HYDROPROCESSING SCHEME WITH SEGREGATED RECYCLE, the specification of which was filed as U.S. Serial No. 09/159,913 on September 24, 1998, and further identified by Mobil Office of Legal Counsel Docket Number 10073-1.

Mobil Oil Corporation, a corporation of New York and The M.W. Kellogg Company, a corporation of Delaware ("Companies"), wishes to acquire the entire right, title and interest in and to the invention and all intellectual property rights that may be granted for it.

In consideration of these premises and in performance of obligations which arose out of the terms of my/our employment by Companies or an Affiliate of Companies at the time the invention was made, I/we sell, transfer and assign to Companies, its successors and assigns, the entire right, title and interest in and to the invention and to all intellectual property rights that may be granted for it, including the rights to all patents, together with all divisions, reissues, substitutions, continuations and extensions of the patent application and of any patents granted on it, and all rights arising under the International Convention for the Protection of Industrial Property by filing any applications for intellectual property rights for the invention. I/We acknowledge that this assignment carries with it the right in Companies to apply for and obtain in all countries of the world any and all rights to the invention as intellectual property, by attorneys and agents of Companies' selection and the right to procure the grant of all intellectual property rights including patents, to Companies in its own name as assignee of the entire right, title and interest to the invention.

I/We will, at Companies' expense, perform all lawful acts which Companies, its successors, assigns, nominees and legal representatives may request to carry out the purposes of this assignment and I/we will assist Companies, its successors, assigns, nominees and legal representatives, in every lawful way to obtain, sustain and enforce all intellectual property rights for the invention, in all countries of the world, including specifically the following:

- (a) I/we will communicate to Companies all facts known to me/us about the invention;
- (b) I/we will execute all lawful papers for carrying out the purposes of this assignment, including all lawful oaths and affidavits, one or more written confirmations of this assignment, all applications for intellectual property rights in foreign countries and all divisional, continuation, reissue and substitute applications for intellectual property rights for the invention;
- (c) I/we will testify in any legal proceedings which involve the invention or any intellectual property rights granted for it.

I/We acknowledge and agree that the obligations set out in this assignment are binding on me/us and on my/our heirs, executors, administrators and assigns.

I/We executed this assignment on the date(s) shown below.
