its successors, assigns or nominees hereinafter referred to as
 "Assignee", my entire right, title and interest in and to said invention
 as disclosed, shown and described in said application for United States
 patent: (check one)

- executed concurrently herewith
 executed separately herefrom:

and in and to all applications for patent and patents for said invention,
 in all countries of the world, including all divisions, reissues, contin-
 uations, substitutions and extensions thereof and all rights arising
 under or pursuant to any and all international agreements, treaties or
 laws relating to the protection of industrial property, including rights
 of priority, resulting from the filing of any of said applications;
 and I authorize and request any official whose duty is to issue patents,
 to issue any patent on said invention or resulting therefrom to said
 Assignee, and I agree that on request and without further consideration,
 but at the expense of said Assignee, I will communicate to said Assignee
 or its representatives all facts known to me respecting said invention,
 and testify in any legal proceedings, sign all lawful papers, execute all
 affidavits, continuing reissues, or other applications, make all rightful
 oaths and declarations, and generally do everything possible to aid said
 Assignee to obtain and enforce proper patent protection for said
 invention in all countries.

I hereby grant the following law firm the power to insert on this Assign-
 ment any further identification which may be necessary or desirable in
 order to comply with the Rules of the U. S. Patent and Trademark Office
