ASSIGNMENT

WHEREAS I, the undersigned, Marcus B. Leonard
have made a certain invention for a

ROTARY SERVO VALVE

described in the patent application papers for United States of
America Letters Patent executed concurrently herewith, and

WHEREAS, Atlas Fluids Controls Corporation

sometimes hereinafter referred to as "said assignee", having a
principal place of business at

5902 Royalton, Houston, TX 77081

is desirous of acquiring the entire exclusive right, title and
interest in and to said invention, said filed applications and
any and all future patent applications which may be filed
thereon, and to any and all Letters Patent which may be granted
or issued therefore in the United States of America and
throughout the universe, including any and all divisions,
continuations, reissues and extensions of the foregoing;

NOW THEREFORE, for and in consideration of the sum of
\$1.00 (one dollar)

and of other good and valuable considerations, the receipt and
sufficiency of which is hereby acknowledged, I do hereby sell,
assign, transfer and set over unto the said assignee, its
successors and assigns, the entire and exclusive right, title and
interest in and to said invention, patent application, Letters
Patent and Inventor's Certificate which may be granted or issued
for said invention in the United States of America and throughout
the universe, including all divisions, continuations, reissues
and extensions thereof, and all international priority rights
associated therewith, all to be held and enjoyed as fully and
completely as the same might have been held by me had this
assignment not been made, and I hereby authorize and request the
Commissioner of Patents and Trademarks of the United States of
America and the duly constituted authorities of foreign countries
to issue all Letters Patent or Inventor's Certificate relating to
the foregoing assigned rights to said assignee, its successors
and assigns.

I agree that I will promptly, upon request, in a manner
consistent with my present duties or obligations, without further
compensation but at no out-of-pocket expense to me, do all lawful
acts including the execution of all necessary documents, and the
giving of testimony that, in the opinion of said assignee, its
successors and assigns may be necessary or desirable for

obtaining, sustaining or reissuing United States and foreign Letters Patent and Inventor's Certificate relating to the foregoing assigned rights, and for perfecting, affirming, recording, and maintaining the title of said assignee, its successors and assigns, and that I will generally cooperate to the fullest extent in all matters pertaining to said invention, filed applications and patents and said assignee's title thereto.

IN WITNESS WHEREOF, I have executed this instrument on the date(s) indicated below.
