ASSIGNMENT

WHEREAS WE, **Jonathan Spilkin**, whose full post office address is **19 Woolsthorpe Crescent, Thornhill, Ontario, Canada L3T 4E1** and **Ian Peter Solo**, whose full post office address is **119 Simonston Blvd., Thornhill, Ontario, Canada L3T 4L9**, have invented certain new and useful improvements in an invention entitled **INTEGRAL BI-DIRECTIONAL HAND-HELD READING GLASSES** for which an application for Canadian Letters Patent was prepared and filed by Bereskin & Parr, and for which a U.S. application is executed by us concurrently herewith under the above title,

AND WHEREAS **Optego Corporation**, a corporation organized and existing under the Laws of the Province of Ontario, and having its principal place of business at **700 University Avenue, Medical Suite #3, Toronto, Ontario, Canada M5G 1Z5**, has acquired from us the whole right, title and interest for Canada, the United States of America and all other countries in and to said invention and in and to any Letters Patent that may be obtained therefor, and in and to said application,

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of all of which is hereby acknowledged, we, **Jonathan Spilkin**, and **Ian Peter Solo**, by these presents confirm that we have sold, assigned and transferred and do hereby sell, assign and transfer unto the said **Optego Corporation**, the full and exclusive right to the said invention in Canada and all other countries and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor, and the entire right, title and interest in and to said application, and in and to any divisions, continuations, continuations-in-part and extensions of said application, together with the right to claim the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property as amended, or by any convention which may

hence forth be substituted for it, and all rights provided by another convention, including without limitation the Patent Cooperation Treaty, relating to the protection of inventions, and to invoke and claim all such rights without further written or oral authorization from us.

WE AGREE that we will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said invention and for additions and modifications thereto in any and all countries, and to vest thereto in said assignee, its successors, assigns and legal representatives or nominees.

WE HEREBY authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said **Optego Corporation**, the assignee of the entire right, title and interest in and to the same, for its sole use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted as fully and entirely as the same would have been held by us had this assignment and sale not been made.

SIGNED this 29th day of January, 1999, at Toronto, Ontario, Canada.
