# ASSIGNMENT OF INVENTION AND PATENT APPLICATION

WHEREAS, DANIELLE SWENSEN de VIDALS, an individual residing at 160 Union St #2 BROOKLYN, NY 11231 (hereinafter called the Assignor) has invented certain new and useful improvements in an invention entitled Hubcap Knapsack and for which she is about to file an application for a Patent of the United States which is identified by Steinberg & Raskin, P.C., Docket No. 726.1001; and

WHEREAS, AARON SCHWARTZ, an individual residing at 39-12 Kramer Place, Fair Lawn, New Jersey 07410 (hereinafter called the Assignee) is desirous of obtaining the entire right, title and interest in, to and under the said invention and the said application and any United States and foreign patent applications corresponding thereto:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the said Assignor have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the said invention, and any United States patent applications corresponding thereto and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or

countries foreign to the United States and all extensions, renewals and reissues thereof.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

Assignor also hereby covenants and agrees that she has full right to convey the entire interest herein assigned, and that she has not executed, and will not execute, any agreement in conflict herewith.

Assignor hereby further covenants and agrees that she will communicate to the said Assignee, its successors, legal representatives and assigns, any facts known to her respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal the day and year set opposite my signature.
