have made inventions in

ROD SUPPORT

as described in U.S. Patent Applications, Serial Nos.  
29/092,622; 29/092,623; 29/092,624; 29/092,625  
and 29/092,626 all filed August 24, 1998, and

WHEREAS, KENNEY MANUFACTURING COMPANY, a corporation  
organized and existing under the laws of the State of  
Rhode Island and having an office and place of business  
at 1000 Jefferson Boulevard, Warwick, Rhode Island  
02886-2201 is desirous of acquiring the entire interest  
in said inventions, said United States patent  
applications and in any Letters Patent which may issue  
thereon;

NOW, THEREFORE, be it known that for and in  
consideration of the sum of One Dollar (\$1.00) to me  
paid, and other good and valuable consideration, the  
receipt of sufficiency of which is hereby acknowledged,  
I do hereby sell, assign and transfer unto said KENNEY  
MANUFACTURING COMPANY, its successors, assigns and  
legal representatives, all right, title and interest in  
and to said inventions and any improvements thereon for  
all countries of the world, and in and to said United  
States patent applications, including any continuations  
and divisions, thereof, and any substitute applications  
therefor, and including the right to claim priority

under the International Convention based on said patent applications, and any patent which may issue thereon, and any reissues of the same, and all right, title and interest in and to every patent or registration application filed or to be filed on said inventions in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all patents or registrations which may issue thereon, and any reissues and extensions of the same; and I hereby authorize and request competent authorities to grant and issue any and all patents or registrations on said design invention to the said KENNEY MANUFACTURING COMPANY as the assignee of the entire interest therein, and I further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent or registrations protection on said invention throughout all countries of the world and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.
