Do hereby sell, assign and transfer to Seiko Epson Corporation,
a corporation of Japan, having a place of business at 4-1, Nishi-
shinjuku 2-chome, Shinjuku-ku, Tokyo, Japan, its successors,
assigns, and legal representatives, the full and exclusive right to
said invention and said application and to any and all inventions
described in said application for the United States, its territorial
possessions and all foreign countries, and the entire right, title
and interest in to any and all Letters Patent which may be granted
therein in the United States, its territorial possessions and all
foreign countries; and in and to any and all continuations-in-part,
continuations, divisions, substitutes, reissues, extensions thereof,
and all other applications for Letters Patent relating thereto which
have been or shall be filed in the United States, its territorial
possessions and/or any foreign countries, and all rights, together
with all priority rights, under any of the international conventions,
unions, agreements, acts, and treaties, including all future
conventions, unions, agreements, acts, and treaties;

Agree that Seiko Epson Corporation, hereinafter referred to as
Assignee, may apply for and receive Letters Patent for said
invention and said inventions, hereinafter referred to as said
invention, in its own name, in the United States, its territorial
possessions, and all foreign countries; and that, when requested to
carry out in good faith the intent and purpose of this assignment, at
the expense of said Assignee, its successors, assigns and legal
representatives, the undersigned will execute all continuations-in-
part, continuations, divisions, substitutes, reissues, extensions
executors of all right and benefit and such other as may be
necessary to retract or sell the United States, its successors, assigns or
dependents aforesaid or any legal or quasi legal proceedings;
committments to said Assignee, its successors, assigns or legal
representatives all facts known to the undersigned relating to said
invention and the history thereof, and generally do everything
possible which said Assignee, its successors, assigns, or legal
representatives shall consider desirable for aiding in securing,
maintaining and enforcing proper patent protection for said
invention and for vesting title to said invention and all applications
for patents on said invention in said Assignee, its successors,
assigns, or legal representatives; and
