ASSIGNMENT

Know all men by these presents

THAT WHEREAS... WE, ROBERT P. MADDING PH. D. and BRUCE A. POIRIER

have invented certain new and useful improvements in:

METHOD AND APPARATUS FOR BARCODE SELECTION OF THERMOGRAPHIC SURVEY IMAGES

described in an application executed EVEN DATED HEREWITH and filed in the USPTO EVEN DATED HEREWITH: and,

WHEREAS, INFRAMETRICS Incorporated, a corporation duly organized and existing under the laws of the State of Massachusetts and having a place of business at 16 Esquire Road North Billerica, Massachusetts 01862 for the benefit of itself, its successors and assigns, all inclusively hereinafter referred to as the Assignee, is desirous of acquiring the entire right, title and interest in and to the same invention, said application, all inventions disclosed in said application and any and all Letters Patent of the United States and of all other countries which may be granted for said invention or inventions, or any of them.

NOW, THEREFORE, for good and valuable consideration, in the sum of $1.00, the receipt thereof is hereby acknowledged, we do hereby sell, assign and transfer to said Assignee the entire right, title and interest in and to said invention, inventions, and application including all priority rights arising therefrom, all inventions disclosed in said application, and any and all Letters Patent of the United States, and of all other countries, together with the right to apply for such Letters Patent, which may be granted for said invention, inventions or any of them.

TO HAVE, HOLD AND ENJOY said invention, said application, and said Letters Patent, to said

INFRAMETRICS Incorporated

its successors and assigns, to its and their own use and behoof to the full end of the term or terms for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by ourselves had this assignment and sale not been made.

AND we hereby authorize and request the Assistant Commissioner of Patents of the United States and the appropriate officers of all foreign patent offices to issue any and all Letters Patent which may be granted on said application or applications above referred to, or for said invention, or any of them, to said Assignee in accordance with the terms of this instrument.

AND we hereby agree to execute and sign without further consideration any other legal document and any other assignments and any divisional, continuing, renewal, reissue or other application in and for all patents that may be appropriate and any be deemed necessary by said Assignee fully to secure to said Assignee its interests as aforesaid in and to said invention or any part thereof and in and to said patents or any of them.
AND we further covenant and agree that we will at any time upon request communicate to said Assignee, its successors, assigns or other legal representatives, any facts known to ourselves relating to said invention and any patent that may be granted thereon, and will testify to the same in any interference or litigation when required to do so.

AND we do hereby covenant for ourselves and our legal representatives that we have not hitherto assigned or granted any license to make, use or sell said invention, and that we will not henceforth purport to assign, license or execute any instrument to that effect in conflict with this assignment.

IN WITNESS WHEREOF we have hereunto set our hands and seals the day and year set opposite our respective signatures.
