ASSIGNMENT

In consideration of the sum of ten dollars (\$10.00), and other good and valuable consideration, paid to the undersigned (hereinafter "ASSIGNOR") by NETSALES, INC. (hereinafter "ASSIGNEE"), the receipt and sufficiency of which is hereby acknowledged, I, Robert E. Fraser, the said ASSIGNOR do hereby sell, assign, transfer, convey, and set over unto the said ASSIGNEE, my entire right, title, and interest in, to and under the invention and/or improvement in METHOD FOR DYNAMICALLY WRAPPING FILES FOR DOWNLOADING, said invention and/or improvements being fully described and/or claimed in the application for Letters Patent of the United States of America filed on June 3, 1997 and accorded U.S. Serial No. 08/868,052, and any improvements thereon, and in and to said application, and any patent applications, continuation, continuation-in-part, continuing, divisional, reissue, reexamination, foreign counterpart, Patent Cooperation Treaty, or the like, applications and patents relating thereto, or which may be filed therefor, and any Letters Patent which may be granted and issued therefor in or for the United States of America, and all foreign countries, as well as any and all know-how and/or confidential, proprietary, and/or trade secret information relating to any such inventions, applications, patents and/or technology, including all treaty and convention rights, and the right to sue for present, past, and future infringement or misappropriation, and to enforce any rights and file any causes of action related thereto (either in law or equity), and to all income, royalties, fees, damages, and payments now or hereafter due or payable in respect thereto, the same to be held and enjoyed by said ASSIGNEE, its successors and assigns, to the full extent permissible under any applicable laws and ends of the terms for which all Letters Patents therefor may be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

And said ASSIGNEE is hereby authorized to make application for and to receive Letters Patent for said invention in any of said countries at its election.

And the Assistant Commissioner for Patents in the United States of America, and all foreign governing authorities or bodies, is hereby authorized and requested to issue any and all Letters Patent of the United States of America, and of any foreign countries, for said invention to said ASSIGNEE.

And I, the said ASSIGNOR, for the considerations aforesaid, do hereby covenant and agree with said ASSIGNEE, that I have the full power to make this Assignment, and that the rights assigned are not encumbered by any grant, license or right heretofore given, and by this covenant I, the said ASSIGNOR do hereby agree to execute or procure any further necessary assurance of title to said invention and patent application, continuation, continuation-in-part, continuing, divisional, reissue, reexamination, foreign counterpart, Patent Cooperation Treaty, or the like, applications and patents relating thereto, and at any time, upon the request and at the expense of said ASSIGNEE, will execute and deliver any and all papers that may be necessary or desirable to perfect the title to, or record the ownership of, said invention, applications, or any Letters Patents which may be filed or granted therefor in said ASSIGNEE, its successors, assigns, or other legal representatives, and, upon the request and at the expense of said ASSIGNEE, will execute any additional or divisional applications for patents for said invention, or any part or parts thereof, and for the reissue of any Letters Patents to be granted therefor, and will make all rightful oaths and do all lawful acts requisite for procuring the same or for aiding therein, without further compensation, but at the expense of said ASSIGNEE, its successors,

assigns, or other legal representatives.
