ASSIGNMENT

WHEREAS, I (WE), Arthur Talley, Arnold E. Wilkie, and Karl H. Buchanan

of 920 Miller Lane, Melbourne, FL 32934; 7850 S. Tropical Trail,
Merritt Island, FL 32952; and 20 Green Acres Lane, Arden, NC 28704,
respectively

(declarant(s)) declare that I (WE) have invented certain improvements in:

SELF-SETTING YARN

hereinafter the invention or inventions, described in U.S. Patent Application Serial No. (if available) 09/205,733
filed on December 4, 1998, and being owner(s) of all right, title and interest in and to said invention or inventions
and to said application, free from all prior assignments, agreements, licenses, mortgages, or other encumbrances
whatsoever, and having full right to convey the entire interest both legal and equitable herein assigned; and

WHEREAS, BASF Corporation, a corporation of the State of Delaware having a place of business at 3000
Continental Drive North, Mount Olive, New Jersey 07828 (assignee), is desirous of acquiring the entire right, title and
interest in and to said invention or inventions, and to said application and to any and all patents to be obtained therefor;

NOW THEREFORE, in accordance with the terms of declarant(s) employment agreement, the declarant(s) does
(do) hereby assign, transfer and set over unto said assignee, its successors and assigns, the entire right, title and interest
in and to said invention or inventions, as described in the aforesaid application, in any form or embodiment thereof, and
in and to the aforesaid application; and in and to any application filed in any foreign country based thereon, including the
right to file said foreign applications under the provisions of the International Convention; also the entire right, title and
interest in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon
said invention or inventions and any divisional, continuation, continuation-in-part or substitute applications which may
be filed upon said invention or inventions in this or any foreign country; and the declarant(s) hereby authorize(s) and
request(s) the issuing authority to issue any and all patents on said application or applications to said assignee or its
successors and assigns.

The declarant(s) further agrees(s), in accordance with the terms of declarant(s) employment agreement, without
any payment or compensation by said assignee or its successors and assigns, to communicate to said assignee, its
representatives or agents or its successors and assigns, any facts relating to said invention or inventions including

evidence for interference purposes or for other legal proceedings, whenever requested; to testify in any interference or other legal proceedings, whenever requested; to execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and to do everything possible to aid said assignee, its successors, or assigns and nominees to obtain and enforce proper patent protection for said invention or inventions in this or any foreign country.

The undersigned declarant(s) further agree(s) that all statements made herein of his/her/their own knowledge are true and that all statements made on information or belief are believed to be true. The undersigned understand(s) that willful false statements and the like are punishable by fine or imprisonment, or both (18 U.S.C. 1001) and may jeopardize the validity of the assignment, or the application or any patent issuing thereon as evidenced by his/her signature below.
