ASSIGNMENT

WHEREAS, R. WINSTON SLATER, an individual residing at 48W938 Chandelle Road, Hampshire, Illinois 60140 (hereinafter "Assignor") has sold, transferred and assigned, and by these presents does hereby sell, transfer and assign to NORTHERN AIRBORNE TECHNOLOGY LTD., a Canadian corporation having its principal place of business in Kelowna, British Columbia (hereinafter "Assignee"), the entire right, title and interest in the patents and applications listed in attached Schedule A (hereinafter "Invention" for the certain new and useful products disclosed in each patent and patent application and "Application" for each patent application filed or to be filed with a respective Patent Office);

NOW, THEREFORE, for good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does hereby sell, transfer and assign to Assignee, Assignee's successors, legal representatives or assigns, an entire undivided interest in Assignor's right, title and interest in, to and under said Invention and Application and all divisions, continuations and continuations-in-part thereof, all priority rights therein, and all Letters Patent which may be granted thereon and all renewals and extensions thereof, and all applications for Letters Patent which may be filed thereon in any country or countries including and not limited to the United States and all Letters Patent which may be granted thereon by such country or countries and all renewals and extensions thereof; and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any Official of any other such country or countries whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent therefor to Assignee, its respective successors, legal representatives or assigns as provided by this instrument.

Assignor covenants and warrants that Assignor has the full right and power to convey the undivided entire interest herein assigned, and that Assignor has not executed and shall not hereafter execute any document in conflict with this assignment or constituting a lien against or right under the subject matter assigned. Assignor further covenants and agrees to communicate to said Assignee, Assignee's successors, legal representatives or assigns, any facts known to Assignor respecting said Invention or Application, to testify in any proceedings to sign all lawful papers, and to execute all applications for patent and other documents and generally to do everything possible to aid Assignor, its respective successors, legal representatives or assigns to obtain and enforce any and all Letters Patent for said Invention or Application in all countries.

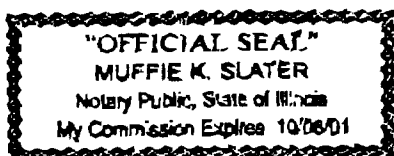

In testimony whereof, Assignor has set Assignor's hand this 5th day of May 1998.
