paid by United States Filter Corporation (hereinafter referred  
to as "Assignee"), a Delaware corporation having its principal  
place of business at:

40-004 Cook Street  
Palm Desert, CA 92211

and for other valuable and sufficient consideration, receipt  
whereof is hereby acknowledged, I hereby sell, assign and  
convey, unto Assignee, its successors and assigns, my entire  
right, title and interest -

(1) in and to an invention entitled "PROCESS AND  
APPARATUS FOR TREATING WASTE" for which I have executed United  
States patent application Serial No. 08/851,645 filed May 6,  
1997;

(2) in and to said United States application, in  
and to all other patent applications (including divisional,  
continuation, continuation-in-part, §111(b) provisional,  
§111(a), and reissue applications) based upon said invention,  
and in and to the patent or patents to be granted thereon,  
including reissues thereof, if any, to the full end of the  
term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said  
invention now or hereafter filed in countries foreign to the  
United States of America, and in and to any and all patents

granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of my Assignee with a claim to priority based on said United States application.

And I hereby agree that I will, upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue the said United States patent or patents to Assignee.
