## **ASSIGNMENT**

**WHEREAS, I, PETER BULLARD**, (hereinafter referred to as "the undersigned"), have invented certain new and useful improvements in

### **ELECTRICAL DISTRIBUTION SYSTEM WITH FUSE SELECTABLE CIRCUITS**

the specification for which was filed **November 13, 1998** and was accorded application number **09/191,995**.

**WHEREAS, RON FRANCIS**, an individual residing at 5555 Chelsea Road, Aston, Pennsylvania 19014, U.S.A., (hereinafter referred to as the "assignee"), is desirous of acquiring the entire right, title, and interest in and to said invention, and in and to any Letters Patent that may be granted for said invention in the United States and in any and all foreign countries;

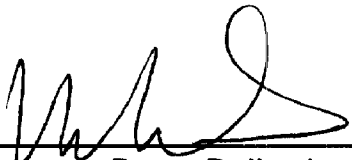

**NOW, THEREFORE**, in consideration of One Dollar (\$1.00) and of other good and valuable considerations, receipt of which is hereby acknowledged by the undersigned, the undersigned, intending to be legally bound, does hereby sell, assign, and transfer to the assignee and assignee's successors, assigns and legal representatives the entire right, title and interest for the United States of America, its territories and possessions, and for all foreign countries, in said invention, said patent application and all divisions, continuations and continuations-in-part thereof, and in all Letters Patent, including any and all substitutes, renewals, extensions and reissues thereof, issued on said invention, and including the right to claim priority under the International Convention for said foreign patent applications and patents.

The undersigned hereby authorizes and requests the Patent Office officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to assignee, as the assignee of the entire right, title and interest in and to the same, for the sole use and behoof of assignee, its successors and assigns.

Further, the undersigned does hereby agree to communicate to assignee, or its representatives, any facts known to the undersigned respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitute, renewal and reissue applications, execute all necessary assignment documents, make all rightful oaths and generally to do everything possible to aid assignee, its successors and assigns, to obtain and enforce protection for said invention in the United States and in any and all foreign countries.

The rights and property herein conveyed by the undersigned are free and clear of any encumbrances.

**IN WITNESS WHEREOF** and intending to be legally bound hereby, the undersigned has executed this Assignment under seal, for the purposes set forth herein.
