Assignment of Invention and Patent Application

In consideration of One Dollar and other good and valuable consideration of which receipt is acknowledged, I, John W. Robeson, having invented a new and useful device referred to as LAZER BALL,

Hereby sell, assign, transfer and set over unto Lazer Ball Technologies, LLC., a limited liability company of the State of Virginia having a place of business at: 2301 Pacific Avenue, Virginia Beach, Virginia 23451, its successors, assigns and legal representatives, the entire right, title and interest in and to the invention entitled LAZER BALL, for which an application has been filed in the U.S. Patent & Trademark Office on February 4, 1998, and all divisions, reissues, reexaminations, continuations and extensions thereof, and all other applications and related property rights in any and all foreign countries which have been or shall be filed on any of said inventions disclosed in said U.S. Patent Application and in and to all original and reissued patents or related foreign documents which have been or shall be issued on said inventions;

Authorize the Commissioner of Patents & Trademarks to issue all Patents on said invention or resulting therefrom to Lazer Ball Technologies, LLC., as assignee of the entire interest, and covenant that I have full right so to do and agree that I will communicate to said Company or its representatives any facts known to me respecting said invention and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid said Company, its successors, assigns and nominees, to obtain and enforce proper patent protection for said invention in the United States and foreign countries.
