ASSIGNMENT

WHEREAS, PAUL H. DIETZ, of Hopkinton, Massachusetts, Assignor, has invented a new and useful APPARATUS FOR DETECTING GUEST INTERACTIONS AND METHOD THEREFORE, for which an application for United States Letters Patent has been executed by the undersigned concurrently herewith; and

WHEREAS, Assignor believes himself to be the original, first and sole inventor of the invention disclosed and claimed in said application for Letters Patent; and

WHEREAS, Disney Enterprises, Inc., a Delaware corporation, having a place of business at 500 S. Buena Vista Street, Burbank, California 91521, Assignee, desires to acquire by formal, recordable assignment the entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, the entire right, title and interest in and to the invention, the application and any Letters Patent that may be granted for the invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which said applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing the Letters Patent in the United States and throughout the world for the invention, and for perfecting, recording or maintaining the title of Assignee, its
