A S S I G N M E N T

(To Be Submitted With Application)

WHEREAS, we, Jeffrey S. Evans, and Charles S. Meyer, a resident of Grass Valley, California and a resident of Nevada City, California, respectively, are joint inventors of an improvement in or relating to OPTOELECTRIC CONVERTER for which we are about to make application for Letters Patent of the United States of America.

WHEREAS, NVISION, INC., a corporation organized under the laws of the State of California, having a place of business at 125 Crown Point Court, Grass Valley, California 95945, is desirous of acquiring an interest therein.

NOW, THEREFORE, in consideration of One Dollar (\$1) and other good and valuable consideration, the receipt of which is hereby acknowledged, we, Jeffrey S. Evans and Charles S. Meyer, assign and transfer to NVISION, INC., our entire legal and equitable right, title, and interest for the territory of the United States of America, and for all foreign countries, in and to the invention described and claimed in the application executed by us on February 26, 1999, preparatory to obtaining Letters Patent of the United States for said invention (and we authorize our attorneys of record to insert the date of execution of the application); said invention, application, and Letters Patent in this or any foreign country, and all divisions, continuations, reissues, and extensions thereof, to be held and enjoyed by the said NVISION, INC. for its own use and behalf, and for its successors and assigns, to the full end of the term for which Letters Patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and we warrant that we have full right to do so, and agree that we shall communicate to the said NVISION, INC., or its successors and assigns any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute

all divisional, continuing and reissue applications, make all rightful declarations, and generally do everything possible to aid NVISION, INC., its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.
