ASSIGNMENT

Whereas, we, **Ashutosh Malaviya**, and **Paritosh Malaviya**, both of Eden Prairie, and **Praful Saklani**, and **Mukul Saklani** both of Chaska, and all of the State of Minnesota, have invented certain new and useful improvements in an

ADAPTIVE TRAVEL PURCHASING OPTIMIZATION SYSTEM,
for which the attached application is executed on even day herewith; and

Whereas, YATRA CORPORATION, a corporation organized and existing under the laws of the State of Minnesota, and having its principal offices at 5151 Edina Industrial Boulevard, Suite 110, Minneapolis, MN 55439 USA is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefore;

Now, therefore, for good and valuable consideration to us paid by the said YATRA CORPORATION, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said YATRA CORPORATION, its successors and assigns, our entire right, title and interest in and to said invention, said application and the Letters Patent, both foreign and domestic, that may or shall issue, including all of our rights under any and all international conventions, treaties and/or agreements concerning patents to which the United States is a party, and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned assignee in accordance herewith.

We further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of any international convention, treaty and/or agreement.

We do hereby covenant and agree with the said assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or any of and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

This Assignment may be executed in several identical counterparts, all of which shall be considered together as a single document.
