## ASSIGNMENT

Serial No.: 09/082,630

Filed: May 21, 1998

In consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned hereby assigns to (1) Boyd F. Cole of 1280 North Streamwood, Vernon Hills, Illinois 60061, his successors, legal representatives and assigns an undivided fifty percent (50%) interest and to (2) Danielle K. Cole of 7 Pleasantview Drive, Marble Dale, Connecticut 06777, her legal representatives and assigns an undivided twenty-five percent (25%) interest in the invention of improvements entitled "Method And Apparatus For Monitoring Temperature Conditions In An Environment" and in the application for Letters Patent of the United States therefor, executed by the undersigned on the 18<sup>th</sup> day of May, 1998, and in any reissue, extension, division or continuation of any Letters Patent that may be granted upon said application or applications.

The undersigned hereby retains an undivided twenty-five (25%) interest in said application for Letters Patent and authorizes and requests the Commissioner of Patents to issue said Letters Patent to the undersigned, Boyd F. Cole and Danielle K. Cole.

For said consideration the undersigned hereby agrees, upon the request of said joint assignees, to execute any and all divisional, continuation and renewal applications for said invention or improvements, and any necessary oath or supplemental oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted said application that said assignee may deem necessary or expedient, and for said considerations the undersigned further agrees upon the request of said

joint assignees, in the event of said application or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in interference, to co-operate with said joint assignees, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and the undersigned hereby agrees to perform, upon said request, any and all affirmative acts to obtain said Letters Patent and vest said rights therein hereby conveyed in the said joint assignees as fully and entirely as set forth above.

And for the said considerations the undersigned hereby assigns to said joint assignees undivided interests as set forth above in said invention or improvement for any and all foreign countries and agrees upon the request of said joint assignees to execute any and all documents in connection with any and all applications for foreign Letters Patent therefor, including the prosecution thereof, and to execute any and all documents necessary to vest title said foreign applications and patents in said joint assignees as set forth above.

Signed at New Milford CT, \_\_\_\_\_ this 10 day of February, 1999.
