ASSIGNMENT

WHEREAS, University of Virginia, a nonprofit educational institution, having an office and place of business at The Rector and Visitors of the University of Virginia, Washington Hall, East Range, Charlottesville, VA 22903, (hereinafter "Assignor"), has acquired certain rights in and to an invention entitled META-SUBSTITUTED ACIDIC 8-PHENYLXANTHINE ANTAGONISTS OF A3 HUMAN ADENOSINE RECEPTORS, and an application for United States Letters Patent thereon executed by the inventor thereof, namely, Joel M. Linden, said application filed on March 12, 1998, which application is assigned U.S. patent application serial number 09/038,991 and in and to other rights with respect to that subject matter, as set forth in an assignment to assignor executed by said inventor, Joel M. Linden.

ND WHEREAS, University of Virginia Patent Foundation, a not-for-profit corporation organized and existing under and by virtue of the laws of the State of Virginia, and having an office and place of business at 1224 West Main St., Suite 1-110, Charlottesville, VA, 22903, (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefor;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, Assignor has sold, assigned, and transferred, and by these presents does sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to the said application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the said inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the

AND, for the consideration aforesaid, Assignor does hereby agree that Assignor and its executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, Assignor hereby requests the Honorable Commissioner of Patents and Trademarks to issue the Letters Patent to said Assignee in accordance with this instrument.

IN WITNESS WHEREOF, Assignor, acting through its Vice President for Research and Public Services, has hereunto set its hand on the date of Notarization below.
