ASSIGNMENT

Attorney's  
File No.

Whereas I, Horst-Werner MAIER-HUNKE  
who resides at Poths Kreuz 28, D-58640 Iserlohn, Germany

have made certain inventions or discoveries (or both) set  
forth in an application for Letters Patent of the United  
States of America entitled

Holder for flip boards or the like

which application was executed by me  
and is identified by

and whereas "Durable" Hunke & Jochheim GmbH & Co. KG

of Westfalenstrasse 77-79, D-58636 Iserlohn,  
Germany

together with its successors and assigns (hereinafter called  
"Assignee"), is desirous of acquiring the title, rights,  
benefits and privileges hereinafter recited, and of  
confirming the same or any part thereof heretofore acquired  
by Assignee:

Now, therefore, for valuable consideration furnished by  
Assignee to me, receipt and sufficiency of which I hereby  
acknowledge, I hereby, without reservation:

1. Assign and convey to and confirm in Assignee the  
entire right, title and interest in and to said inventions  
and discoveries, said application for Letters Patent of the  
United States of America, any and all other applications for  
Letters Patent on said inventions and discoveries in  
whatsoever countries, including all divisional, renewal,  
substitute, continuation and Convention applications based  
in whole or in part upon said inventions or discoveries or  
upon said applications, and any and all Letters Patent and  
reissues and extensions of Letters Patent granted for said  
inventions and discoveries or upon said applications, and  
every priority right that is or may be predicated upon or  
arise from said inventions, said discoveries, said  
applications and said Letters Patent;

2. Authorize Assignee to file patent applications in any or all countries on any or all of said inventions and discoveries in my name or in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or otherwise;

3. Authorize and request the Commissioner of Patents of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title and interest therein or otherwise as Assignee may direct;

4. Warrant that I have not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that I have the good right to assign the same to Assignee without encumbrance; and

5. Bind my heirs and legal representatives, as well as myself, to do, upon Assignee's request, and at its expense, but without additional consideration to me or to them, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by me or my heirs or representatives, if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to me relating to said inventions and discoveries or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples and other physical exhibits in my control or in the control of my heirs or legal representatives which may be useful for establishing the facts of my conceptions, disclosures, and reduction to practice of said inventions and discoveries.

The undersigned assignor declares further that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
