ASSIGNMENT

WHEREAS, We, Charles R. Christian, residing at 5001 Townsend Avenue, Eagle Rock, California 90041-2216, Derrick K. Bennett, residing at 5001 Townsend Avenue, Eagle Rock, California 90041-2216, and Mario C. Murga, residing at 16314 Fieldcrest Court, La Mirada, California 90638, have invented new and useful improvements disclosed in an application for United States Letters Patent titled DOCUMENT CONVERSION AND NETWORK DATABASE SYSTEM, filed September 16, 1998, as application Serial No. 09/153,786;

AND WHEREAS Health Informatics International, Inc., a corporation organized and existing under and by virtue of the laws of the State of California, having a principal place of business at 4216 Katella Avenue, Los Alamitos, California 90720 (hereafter, together with any successors, legal representatives or assigns thereof, called "Assignee") is desirous of acquiring the exclusive right, title, and interest in and to said invention, and in and to the Letters Patent granted and issued therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee our entire right, title and interest in and to said improvements, and said applications and all divisions, substitutions, continuations and continuations-in-part thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protections of Industrial Property for every member country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for said improvements in any foreign countries; and I hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements to Assignee in accordance with the terms of this assignment;

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith;

AND WE HEREBY further covenant and agree that we will promptly communicate to Assignee any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said improvements in all countries as requested by Assignee, all reasonable expenses and reasonable compensation for time being reimbursed by Assignee.
