ASSIGNMENT

WHEREAS, E.I.P. Equipment & Safety Products Ltd., hereinafter referred to as „E.I.P.“, a corporation duly organized under the laws of Canada, having a place of business at 3100 Ridgeway Drive, Unit # 30, Mississauga, Ontario, L51 5M5, Canada, is the owner of record of the entire right, title and interest in an invention relating to a heated rear view mirror for automobiles and any improvements the inventor, Heinz Zorn of Graz, Austria may make to it with regard to the territory of the United States, Canada and Mexico and to the United States and Canadian patent applications filed in connection therewith as listed below:

Title	Patent (Application) No.	Filing/Issue Date
Heated Mirror	U.S. Patent Application No. 08/608,063	February 28, 1996
	U.S. Patent No.5,821,501	Oct. 13, 1998
Heated Mirror	Canadian Patent Application No. 2,170,338	February 26, 1996

WHEREAS, Magna Reflex Holding GmbH, a German limited liability company, having a place of business at D-97959 Assamstadt, Industriestraße 3, Germany, hereinafter referred to as „Magna“, is desirous of acquiring the entire right, title and interest of E.I. P. in and to the said invention, including the above patent and patent applications and any United States and Canadian patent or any other form of protection which may be granted on said invention, including any extensions, divisions, reissues, continuations or continuations-in-part and in any rights of priority which E.I.P. is entitled to assert.

NOW, THEREFORE, in exchange for the consideration in the sum of One Dollar and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged E.I.P. does hereby sell, assign and transfer to Magna its entire right, title and interest in and to the invention relating to a heated rear mirror for automobiles and any improvements Mr. Heinz Zorn may make to it, including the patent and patent applications listed above, and any and all United States and Canadian patents and other forms of protection which may be granted on said invention, including extensions, divisions, reissues, continuations or continuations-in-part, and any right of priority E.I.P. is entitled to assert.

E.I.P. hereby authorizes and requests the United States Commissioner of Patents and Trademarks to issue any and all patents of the United States resulting from the application identified above or any division or divisions or continuing or reissue applications thereof to Magna and hereby covenants that it has the full right to convey the entire interest herein assigned and that it has not executed and will not execute any agreement in conflict herewith.

E.I. P. hereby authorizes and requests the Canadian Commissioner of Patents to issue any and all patents of Canada resulting from the application identified above or any division or divisions or continuing or reissue applications thereof to Magna and hereby covenants that it has the full right to convey the entire interest herein assigned and that it has not executed and will not execute any agreement in conflict herewith.

E.I.P. agrees to execute any and all papers that may be necessary, or deemed by Magna to be necessary, to complete fulfillment of the intent and purposes of this Assignment in connection with the above patent and all the above patent applications and any continuing, divisional or reissue applications thereof and also to execute separate assignments in connection with such patent and patent applications as Magna may deem necessary or expedient.

This Assignment shall inure to the benefit of Magna, its successors, assigns and other legal representatives and shall be binding upon E.I.P.'s successors, assigns and other legal representatives.

In witness whereof, E.I.P. has caused this Assignment to be duly executed on this 14 day of APRIL, 1999 by its duly authorized representative.
