ASSIGNMENT (Layout Application)

WHEREAS I, Anatoly Rakhmailov, an individual residing in Bataysk, Rostov Don, the Russian Federation (the "ASSIGNOR") is the owner of certain inventions in Gas Turbine Engine Technology for which I have executed an application for a Patent of the United States on March 4, 1999 (hereinafter referred to as "the Inventions"); and

WHEREAS, ALM Development, Inc. a Delaware corporation, having a place of business at 1920 N Street, NW Suite 750 Washington, DC 20036 ("ASSIGNEE") is desirous of obtaining the entire right, title and interest in, to and under the Inventions;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, I, the ASSIGNOR, have sold, assigned, and transferred, and by these presents do hereby sell, assign, and transfer unto the ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, and to the Inventions and the United States applications and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and models, and designs which may hereafter be filed for the Inventions in any country or countries foreign to the United States, together with the right to file such applications and the right to claim priority rights derived from the United States applications under the patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which such application is filed, as may be applicable; and all forms of industrial property protection, including without limitation, patents, utility models, inventors' certificates and designs which may be granted for inventions in any country or countries foreign to the United States and all extensions, renewals, continuations, divisionals and reissues thereof;

AND I HEREBY authorize and request that the Commissioner of Patents and Trademarks of the United States, and any Official of any county or countries foreign to the United States where said applications are filed, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications, to issue the same to the ASSIGNEE, its successors, legal representative and assigns, in accordance with the terms of this instrument;

AND I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

AND I HEREBY further covenant and agree that I will communicate to the ASSIGNEE, its successors, legal representative and assigns, all facts known to me respecting the Inventions, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and otherwise assist the ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 4th day of March, 1999

 L.S.

ASSIGNMENT (Layout Application)

WHEREAS I, Martin Kalin, an individual residing in Washington, DC USA (the "ASSIGNOR") is the co-owner of certain inventions in Gas Turbine Engine Technology for which I have executed an application for a Patent of the United States on March 4, 1999 (hereinafter referred to as "the Inventions"); and

WHEREAS, ALM Development, Inc. a Delaware corporation, having a place of business at 1920 N Street, NW Suite 750 Washington, DC 20036 ("ASSIGNEE") is desirous of obtaining the entire right, title and interest in, to and under the Inventions;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, I, the ASSIGNOR, have sold, assigned, and transferred, and by these presents do hereby sell, assign, and transfer unto the ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, and to the Inventions and the United States applications and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and models, and designs which may hereafter be filed for the Inventions in any country or countries foreign to the United States, together with the right to file such applications and the right to claim priority rights derived from the United States applications under the patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which such application is filed, as may be applicable; and all forms of industrial property protection, including without limitation, patents, utility models, inventors' certificates and designs which may be granted for inventions in any country or countries foreign to the United States and all extensions, renewals, continuations, divisionals and reissues thereof;

AND I HEREBY authorize and request that the Commissioner of Patents and Trademarks of the United States, and any Official of any county or countries foreign to the United States where said applications are filed, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications, to issue the same to the ASSIGNEE, its successors, legal representative and assigns, in accordance with the terms of this instrument;

AND I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

AND I HEREBY further covenant and agree that I will communicate to the ASSIGNEE, its successors, legal representative and assigns, all facts known to me respecting the Inventions, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and otherwise assist the ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 4th day of March, 1999
