ASSIGNMENT OF PATENT APPLICATION

I/WE, the undersigned (each) have agreed and hereby agree to assign to SYMBIONICS LIMITED, an English corporation having its principal place of business in Cambridge, England, (hereinafter Symbionics), for good and valuable consideration, receipt of which is hereby acknowledged, and do hereby sell, assign and transfer to Symbionics, its successors and assigns, the entire right, title and interest, including any right of priority, in to and under an application for Letters Patent of the United States entitled:

Communicating isochronous and asynchronous data,

(a) Filing date: \_\_\_\_\_, Serial No: \_\_\_\_\_, or

(b) for which an application for United States Letters Patent was executed by me on 10th December 1998, and the invention(s) and improvements(s) set forth therein, and any and all continuations, continuations-in-part (C-I-P's), divisionals, and renewals of and substitutes for said application for said Letters Patent, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor; and any reissues, or reexaminations, or extensions of said Letters Patent.

I/we additionally authorize Symbionics to file applications in my/our name for Letters Patent in any country, to be held and enjoyed by Symbionics, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me/us had this assignment, sale and transfer not been made;

AND I/we hereby covenant that I/we have full right to convey the entire interest herein assigned and that I/we have not executed and will not execute any agreement in conflict herewith, and I/we further covenant and agree that I/we will, each time a request is made, and without undue delay, execute and deliver all such applications and said Letters Patent, to Symbionics, or to its nominee, all known facts respecting said invention(s) or improvement(s), said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisions, continuations, C-I-P's, reissue and foreign applications, to make all rightful oaths and declarations, and generally to do everything possible to aid Symbionics, its successors, assigns, nominees and legal representatives to obtain and enforce, for its or their own benefit, proper patent protection for said invention(s) or improvement(s) in any and all countries provided the expenses which may be incurred by me/us in lending such cooperation and assistance are paid by Symbionics;

AND I/we hereby authorize and request the Commissioner for Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to Symbionics, as assignee of the entire right, title and interest, any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.

I/we further authorize Symbionics' attorneys to insert the serial number and filing date of said application now identified by the attorney docket number and title set forth above if the same shall have been made known to them by the United States Patent and Trademark Office.

IN WITNESS WHEREOF, I/we hereunto set my/our hand(s):
