WHEREAS, Expandable Grafts Partnership, a partnership organized under the
laws of Texas having an address at P.O. Box 800699, Dallas, Texas 75380 (the "Assignor"), by
virtue of various assignments to it, is the proper legal assignee of the patents and applications
appended hereto as Appendix A, including all divisional, continuation, continuation-in-part,
reissue and reexamination applications, and improvements conceived, applied for or issued as of
the date of this Assignment to the patents and applications listed in Appendix A; and

WHEREAS, Cordis Corporation, a corporation of the State of Florida, (hereinafter
called "Assignee"), is desirous of acquiring Assignor's entire right, title, and interest to the patents
and applications listed in Appendix A, including, at a time mutually convenient to the parties, an
assignment of all non-US patents and applications which are counterpart to the applications listed
therein:

NOW, THEREFORE, BE IT KNOWN that for and in consideration of amounts
agreed to by the parties, and other valuable consideration received by Assignor, the receipt of which
is hereby acknowledged, Assignors have sold, assigned, and transferred, and do hereby sell, assign
and transfer unto said Assignee their entire right, title and interest in and to all said inventions and
discoveries disclosed in said patents and applications listed in Appendix A, and in and to said
applications, all substitutions, divisionals, continuations, continuations-in-part, reexaminations,
reissues and improvements thereof conceived, applied for or issued as of the date of this
Assignment, and in and to all Letters Patent, that may be granted for said inventions and
discoveries, and in and to all extensions, renewals, and reissues thereof, and, at a time mutually
agreed by the parties herein, will exercise an assignment of the foreign counterparts to these patents
and applications, the entire interest to this assignment to be held and enjoyed by the Assignee, its
successors and assigns, as fully and entirely as the same would have been held and enjoyed by
Assignors if this Assignment and sale had not been made;

And Assignors hereby authorize and request the Commissioner of Patents of the
United States to issue any future Letters Patent in accordance with this Assignment;
