

ASSIGNMENT

I, Dariusz Wroblewski, residing at 12718 Kestrel Street, San Diego, CA 92129, along with Johannes Braeuning, Stefan Schueller, Richard J. McClure, and R. Kemp Massengill, have invented a method and apparatus entitled VISUAL FIELD TESTING VIA TELEMEDICINE, hereinafter called the "invention."

Preferred embodiments of said invention are disclosed in a United States patent application executed concurrently herewith by me, now identified as File No. MASS/US-012 of the law office of Gerald W. Spinks, P.O. Box 10158, College Station, TX 77842-0158, and filed in the United States Patent and Trademark Office as Serial No. 09/203,729 on 12/2/98.

The Assignee, Orincon Corp., a corporation of the State of California, having a principal place of business at 9363 Towne Centre Drive, San Diego, CA 92121, desires to secure the entire right, title and interest in said invention.

For good and valuable consideration paid to me by the Assignee, the receipt and sufficiency of which I hereby acknowledge, I HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in said invention, in the above-identified United States patent application and in all divisions and continuations of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of international conventions for such applications.

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives.

I hereby agree, without further consideration and without expense to me, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of me to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, continuation and divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of my ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon my heirs and legal representatives.

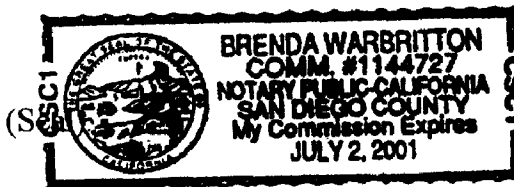

Dariusz Wroblewski

ACKNOWLEDGMENT

STATE OF CALIFORNIA
COUNTY OF SAN DIEGO
