WHEREAS, the Assignors have invented certain new and useful improvements in IMPACT DETECTING APPARATUS, ☐ which is a provisional application to be filed herewith;  
☐ which is a non-provisional application having an oath or declaration executed on even date  
herewith prior to filing of application; ☒ bearing Application No. \_\_\_\_\_, and filed on  
NOVEMBER 25, 1998; and

WHEREAS, AISIN SEIKI KABUSHIKI KAISHA, a corporation duly organized under and  
pursuant to the laws of JAPAN and having its principal place of business at 1, ASAHI-MACHI 2-CHOME,  
KARIYA-SHI, AICHI-KEN, JAPAN (hereinafter referred to as "the Assignee"), is desirous of acquiring the  
entire right, title, and interest in and to said inventions, the right to file applications on said  
inventions and the entire right, title and interest in and to any applications, including provisional  
applications for Letters Patent of the United States or other countries claiming priority to said  
application, and in and to any Letters Patent or Patents, United States or foreign, to be obtained  
therefor and thereon.

NOW, THEREFORE, having received good and sufficient consideration, the Assignors  
have sold, assigned, transferred, and set over, and by these presents do sell, assign, transfer, and  
set over, unto the Assignee, its successors, legal representatives, and assigns the entire right, title,  
and interest in and to the above-mentioned inventions, the right to file applications on said  
inventions and the entire right, title and interest in and to any applications for Letters Patent of the  
United States or other countries claiming priority to said application, and any and all Letters Patent  
or Patents of the United States of America and all foreign countries that may be granted therefor  
and thereon, and in and to any and all applications claiming priority to said applications, divisions,  
continuations, and continuations-in-part of said applications, and reissues and extensions of said  
Letters Patent or Patents, and all rights under the International Convention for the Protection of  
Industrial Property, the same to be held and enjoyed by the Assignee, for its own use and behalf  
and the use and behalf of its successors, legal representatives, and assigns, to the full end of the  
term or terms for which Letters Patent or Patents may be granted as fully and entirely as the same  
would have been held and enjoyed by the Assignors had this sale and assignment not been made;

AND for the same consideration, the Assignors hereby covenant and agree to and with  
the Assignee, its successors, legal representatives, and assigns, that, at the time of execution and  
delivery of these presents, the Assignors are the sole and lawful owners of the entire right, title,  
and interest in and to the inventions set forth in said applications and said applications, including  
provisions applications, above-mentioned, and that the same are unencumbered, and that the  
Assignors have good and full right and lawful authority to sell and convey the same in the manner  
herein set forth;

AND for the same consideration, the Assignors hereby covenant and agree to and with the Assignee, its successors, legal representatives, and assigns that the Assignors will, whenever counsel of the Assignee, or the counsel of its successors, legal representatives, and assigns, shall advise that any proceeding in connection with said inventions or said applications for Letters Patent or Patents, or any proceeding in connection with Letters Patent or Patents for said inventions in any country, including interference proceedings, is lawful and desirable, or that any application claiming priority to said application, division, continuation, or continuation-in-part of any applications for Letters Patent or Patents, or any reissue or extension of any Letters Patent or Patents to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement, and defense of Letters Patent or Patents for said inventions, without charge to the Assignee, its successors, legal representatives, and assigns, but at the cost and expense of the Assignee, its successors, legal representatives, and assigns;

AND the Assignors hereby authorize and request the attorneys of BURNS, DOANE, SWECKER & MATHIS, L.L.P. of Alexandria, Virginia to insert in the spaces provided above the filing date, application number, and attorney docket number of said application when known.

AND the Assignors hereby request the Commissioner of Patents to issue any and all said Letters Patent of the United States to the Assignee as the Assignee of said inventions, the Letters Patent to be issued for the sole use and behalf of the Assignee, its successors, legal representatives, and assigns.
