WHEREAS, We Scott A. Lloyd, David S. McNally, and Michael W. Smeester, are the owners of all trademark registrations and trademark applications relating to the GOLFSWITCH service mark; and

WHEREAS, Advanced Network Database Systems, is desirous of acquiring the entire right, title and interest in and to said trademark registrations and trademark applications;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, We, Scott A. Lloyd, David S. McNally, and Michael W. Smeester, have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said Advanced Network Database Systems the full and exclusive right, title and interest, throughout the world, in, to and under said invention as fully set forth and described in the specification prepared and executed by us on even date herewith preparatory to obtaining Letters Patent of the United States therefor; in, to and under said application; in, to and under any and all refilings, divisions and continuations of said application; in, to and under any and all Letters Patent of the United States of America which may issue from said application, refilings, divisions and continuations; in, to and under any and all reissues of said Letters Patent of the United States of America; in, to and under any and all applications for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America; in, to and under any and all refilings, divisions and continuations of said foreign-filed applications; in, to and under any and all Letters Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions and continuations; and in, to and under any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America, the same to be held and enjoyed by said Advanced Network Database Systems for its own use and behoof, and for its successors, legal representatives and assigns, to the

full end of the term for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents to issue the said Letters Patent in accordance with this assignment.

THEREFORE, We, Scott A. Lloyd, David S. McNally, and Michael W. Smeester, hereby transfer, convey and assign all of our rights, title and interest in the copyrighted works to Advanced Network Database Systems for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged to Advanced Network Database Systems upon execution of this agreement. We further transfer and assign the right to file for and obtain registrations of all copyright interests anywhere in the world, including specifically all rights to publication, dissemination, mutilation and preparation of derivative works, and transfer all income, royalties, damages and payments now or hereafter due or payable in respect thereto in and to all causes of action, either in law or equity for past, present, or future infringement based on such copyrights, in and to all rights corresponding to the foregoing throughout the world.

THEREFORE, We, Scott A. Lloyd, David S. McNally, and Michael W. Smeester, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged transfer, grant, convey, assign and relinquish exclusively to Advanced Network Database Systems, and perpetually, of all of our right, title, and interest in and to the trademark interests and any good will associated with the trademark interest. We further transfer and assign the right to file for and obtain registrations of the trademark interests anywhere in the world with the right to base priority on our first date of use or on any application and/or registration being assigned herein and transfer all income, royalties, damages and payments now or hereafter due or payable in respect thereto in and to all causes of action, either in law or equity, for past, present, or future infringement based on such trademarks, in and to all rights corresponding to the foregoing throughout the world.
