ASSIGNMENT

WHEREAS, I Henry J. Wojtunik, a citizen of United States of America, residing at 21 Longview Drive, Holmdel, NJ 07733, hereinbelow called "Assignor", have made a certain invention in MULTI-CHANNEL WAVE DIVISION MULTIPLEXER SYSTEM described in the specification executed by me on February 10, 1999, which application was filed in the United States Patent and Trademark Office on February 10, 1999 under Serial No. 09/247,666; and

WHEREAS, Anacom Systems Corporation, a corporation organized and existing under and by virtue of the laws of The State of New Jersey, United States of America, and having offices and doing business at 100 Jersey Avenue, Building A, New Brunswick, New Jersey 08901 and elsewhere, hereinbelow called "Assignee", is desirous of securing the entire right, title and interest in and to the said invention application and Letters Patent, when granted, and in and to any division, continuations, improvements, reissues and/or extensions that may be made or granted thereon;

NOW, THEREFORE, BE IT KNOWN that for good and valuable consideration, the receipt of all of which is hereby acknowledged, I, the said Assignor have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over unto the said Assignee, its successors and assigns, the entire right, title and interest throughout the world in and to the said invention, application and Letters Patent, when granted, and in and to any divisions, continuations, improvements, reissues or

extensions that may be made or granted on any of them;

TO HAVE AND TO HOLD the same to the full end of the term or terms for which said Letters Patent may be granted, as fully and completely as the same might be held by me had this sale and assignment not been made.

For the consideration aforesaid, I hereby covenant and agree to and with the said Assignee, its successors and assigns, that whenever its counsel or representative, or the counsel or representative of its successors or assigns, shall advise that an amendment to, or a division of, or any other proceeding or action in connection with said application or invention, including interference proceedings, is lawful and desirable, or that a reissue or continuation or extension of said Letters Patent is lawful and desirable, I/we will sign all papers and drawings, take all rightful oaths and affidavits, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue or continuation or extension of the same, and will do all acts necessary or required to secure to the said Assignee, its successors, and assigns, the title to and full benefit of all rights hereby assigned, without charge to said Assignee or its successors or assigns, but at its or their expense;

AND the Commissioner of Patents and Trademarks is requested to issue the said Letters Patent, when granted, in accordance with this sale and assignment.

For the consideration aforesaid, I have sold, assigned, transferred and set over and by these presents do sell, assign, transfer and set over unto the said Assignee, its
