ASSIGNMENT

WHEREAS, I, **Heiner Lichtenberger**, a citizen of the United States of America, residing at 58 Sutherland Court, Williamsville, New York 14221 USA, have invented certain new and useful improvements in **INTEGRAL SOLDER AND PLATED SEALING COVER AND METHOD OF MAKING THE SAME** for which I have executed an application for Letters Patent in the United States, filed herewith;

AND WHEREAS, **Williams Advanced Materials**, with its principal place of business at 2978 Main street, Buffalo, New York 14214, desires to acquire the entire right, title and interest in and to the said improvements and the said Application:

NOW, THEREFORE, for good and valuable consideration including salary or payment for the making of inventions, or employee benefits, the receipt of which is hereby acknowledged, I, the said inventor, do hereby acknowledge that I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said **Williams Advanced Materials**, its successors, legal representatives and assigns, the entire right, title and interest throughout the world in, to and under the said improvements, and the said application and all divisions, renewals and continuations thereof, and all Letters Patent of the United States which may be granted thereon and all reissues and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and I hereby authorize and request the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to the said **Williams Advanced Materials**, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant and agree that I will communicate to the said **Williams Advanced Materials**, its successors, legal representatives and assigns, any facts known to me respecting said improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said **Williams Advanced materials**, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries.
