## ASSIGNMENT

This Assignment is made by OSCAR W. LANGE, JR. of Glendale, California, Assignor, to Disney Enterprises, Inc., a Delaware corporation, Assignee, having a place of business at 500 S. Buena Vista Street, Burbank, California 91521.

WHEREAS, Assignor has invented a new and ornamental STYLIZED EYEWEAR, for which an application for Design Patent has been executed by him on the date set forth below; and

WHEREAS, Assignor believes himself to be the original, first and sole inventor of the invention disclosed and claimed in said application for Design Patent; and

WHEREAS, Assignee desires to acquire the entire right, title and interest in and to said application and the invention disclosed and claimed therein;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby relinquishes any and all rights in and to said invention, and hereby sells, assigns and transfers to Assignee, his entire right, title and interest in and to said invention, said application and any Design Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which said applications are entitled under international conventions, treaties or otherwise.

Assignor represents that said invention was conceived and/or developed in the course of performance of his professional services contracted for by Assignee, and that for the consideration stated, paid and received for said contract for professional services, Assignee owns all right title and interest in and to said invention. Assignor acknowledges that execution of this Assignment is further evidence of Assignee's ownership in said invention.

Further, Assignor also agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining,

reissuing or enforcing the Design Patent in the United States and throughout the world for said invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said invention, said application and any Design Patent granted for said invention in the United States and throughout the world.

Assignor represents and warrants that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor represents and warrants that this Assignment is made freely and without duress.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Design Patent granted said invention, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date set forth below.
